MetalCloak's TJ/LJ Jeep Wrangler "Crawler" Rear Bumper

Metalcloak introduces a simple and affordable way to protect the rear of your TJ/LJ Wrangler. The feature rich TJ/LJ Jeep Wrangler CRAWLER Bumper is designed to combine great looks and optimal strength. With a simple and clean looking design MetalCloak's TJ/LJ Jeep Wrangler "Crawler" Rear Bumper is made of 3/16 steel plate and finished with MetalCloak's Signature Premium Black Texture Powder Coat and looks great with any style Jeep build. The bumpers angled cut away ends provide departure clearance and the built in tow hitch is there when a secure recovery point is needed. When great looks and off-road ready features are paramount; there is no better option than the affordably priced MetalCloak "Crawler" Rear Bumper ... Metalcloak, It's Your Jeep, Only Better.
