### MetalCloak's Winch Cover Plate

The MetalCloak Wrangler JK Winch Cover Plate is designed to create a clean, completed look when choosing not to add a winch to your bumper build.

Designed for strength in laser cut 14 gauge steel and finished in MetalCloak's signature texture powdercoat. The Winch Cover Plate is just one of the options you can choose when building your JK Combo Bumper. Create your own unique look for your individual Jeeping needs. MetalCloak, it's Your Jeep, Only Better.
