MetalCloak's JK Wrangler Stock Front Shock Extender

MetalCloak introduces an inexpensive solution to fit the factory stock front shocks on up to a 2 inch lift. The CNC machined gold zinc plated steel extenders provide an easy way to adapt factory front stock shocks onto our basic 2" lift kit without the additional cost of replacing your front stock shocks! Get the additional length you need without the cost of shock replacements. MetalCloak, it's Your Jeep, Only Better. MetalCloak, 916-631-8071, www.MetalCloak.com
